OUR ALMA MATER

OUR PRINCIPAL

YOU are about to go out into a world made difficult by the unrest and uncertainty of the future. By completing your High School education you have surmounted one important obstacle towards success in the future. Whether you continue in higher education, enter the service of our country, or take your place in the industrial activity of our community, I am sure you will be as fine and trustworthy as you have been in the past. My good wishes go with you.

CLASSES

SENIOR OFFICERS

WILLIAM ALBERT BUCKINGHAM — PRESIDENT
"BUCKY"

Pres. 4; Jr. Prom Comm. 3; Sr. Play 4.

Bill is our most worthy president and a singing one at that. It isn't hard to tell which the girls like the most. Among the many boys in our class interested in archery, Bill was the successful one. Guess "dears" just can't help falling for our modern "Robin Hood."

LEE BUTTON — VICE-PRESIDENT
"LEE BO"

Soccer 1, 2, 3, 4; Basketball 2, 4; Track 2, 3, 4; Pres. 2; Vice-Pres. 1, 4; FFA Pres. 3; FFA Sec'y 4; County FFA Vice-Pres. 4; Orch. 1; Sr. Play 4; Jr. Prom. Comm. 3.

We think if a vote were taken among the girls for the favorite boy in E.H.S., Lee would be on top. They just can't seem to resist him. That blonde hair and those smiling eyes plus all his personality certainly do the trick. He has been in every activity possible and a leader in almost all of them.

CAROL DAVIS — TREASURER

Treasurer 1, 2, 3, 4; Orch. 1, 2, 3, 4; Chor. 1, 2, 3, 4; Sr. Play 4; Loudspeaker 2; Latin Club 2, 3; Librarian 2; Dist. Chor. 2, 3, 4; Jr. Prom Comm. 3.

Carol has been our effecient class treasurer for four years. Gay, fun loving, and talented in many ways, she still has time to be everywhere of interest. We wish you all the success in the world, Carol.

FRANCES ANN DEACON — SECRETARY
"FRANNIE"

Band, Orch. 1, 2, 3, 4; Sr. Play 4; Chor. 1, 2, 3, 4; Dist. Chor. 2. 4; County Chor. 2; Librarian 2; Jr. Prom Comm. 3; Sec'y 4; Latin Club 2, 3; County Band 2.

Do we hear a song coming on? You bet we do! Here comes Frannie. We've all enjoyed her voice and hope it will take her far on the road to success.

SENIORS

ANNA J. BARTHOLOMEW
"ANNIE"

Band 2,,3; Chor. 1, 2, 3, 4; FHA 2, 3; Librarian 3, 4; Jr. Prom Comm. 3.

Shy and quiet, you think so? Then you don't know our Anna. This happy lass is everyone's friend. Everybody will agree she makes a very cute farm girl.

DEAN W. BARTHOLOMEW
"DEANUAL"

FFA 1,2,3,4; FFA Basketball 1,2, 3,4; FFA Sentinel 2; FFA Vice Pres. 4.

Who gets redder than any other person in Elkland High School? You're so right! It's our Dean. Dean gets razzed about this and other things all the time, but he's the type who takes it with a smile. We all think he is a pretty nice guy. Got any gum, Dean?

KEITH A. BLAKE
"CLAW"

Soccer 1,2,3,4; Jr. Varsity 1,2; Varsity 2,3,4; Baseball 1,2,3,4; Track 1,2,3,4; Chor. 4; Vice Pres. 2; Sr. Play 4.

A man of many "whims" and "women"--could that be our Keith? You bet! Sports have been his first love for his four years of high school. We are all proud of the excellent work he has done in them. The best of everything to you, Keith.

THOMAS BORGESON
"BORG"

Band 1, 2, 3, 4; Soccer 2; Track 2, 3, 4.

Interested in many school activities in and out of school, this lad is usually around lending a helping hand wherever needed.

NEAL BUTLER
"NEL"

FFA 1, 2, 3, 4; FFA Basketball 1, 2, 3, 4; FFA Vice-Pres. 3; FFA Hist. 4.

Handsome, but oh so quiet! The boys tell us Neal has a nice laugh and is lots of fun. We girls have much to find out about this lad. He was made captain of the "ag" basketball team this year and has done a super colossal job. Farming occupies quite a bit of his time. Hum, guess we'll take up farming.

BURTON CASS
"CASSIE"

Band 1, 2, 3, 4; Orch. 1, 2, 3, 4; Chor. 3; Dist. Band 2, 3; County Band 2.

After graduation, Bert will be one of our men in navy blue. This is something he has looked forward to for quite some time. The first chair in the trumpet section of our band and orchestra are held by this musical lad. We hope the Navy enjoys your talent as much as we have, Bert.

SENIORS

EDITH MAY CAVAGNA
"EDIE"

Cheerleader 1, 2, 3, 4; Librarian 1, 2, 3, 4; Jr. Prom Comm. 3; Chor. 1, 2; Sec'y 2; Sr. Play 4.

Who is that bundle of pep and energy dashing down the hall? Edie, of course! She always has time for all the fun and sports in sight. Yet she seems to find time for a few serious moments too. May she always be so happy.

AMELIA F. CERCHIE
"MILLIE"

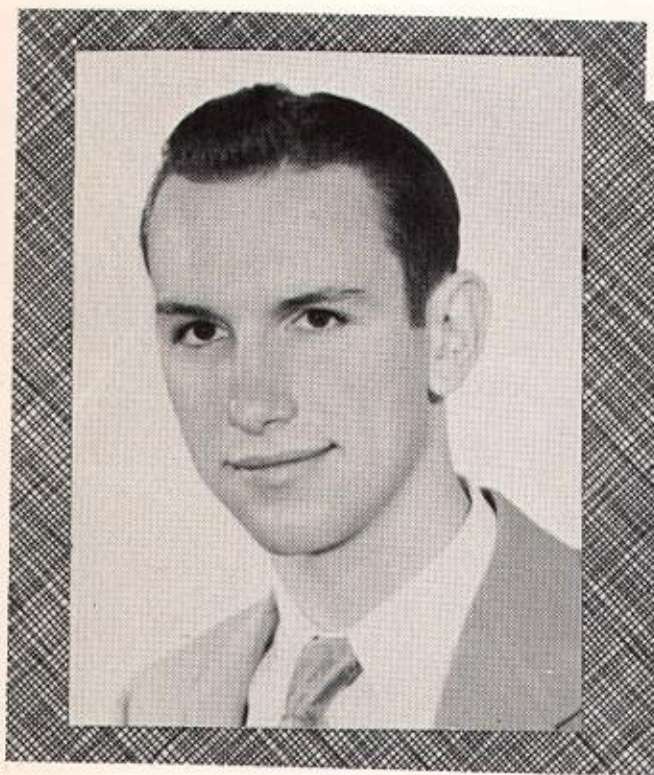
Band, Orch., Chor. 1, 2, 3, 4; County Chor. 2; Jr. Prom Comm. 3; Loudspeaker Staff (co-editor) 4; County Band 2; Dance Band 4; Latin Club 3, 4; Sr. Play 4.

"Millie" is definitely an asset to our class. Her ability to get things done has helped us many times. Success to you, Amelia.

MARGARET JANE COSIER
"MAGGIE"

FHA 2,3; Librarian 3,4; Sr. Play (usher) 4; Jr. Prom Comm. 3.

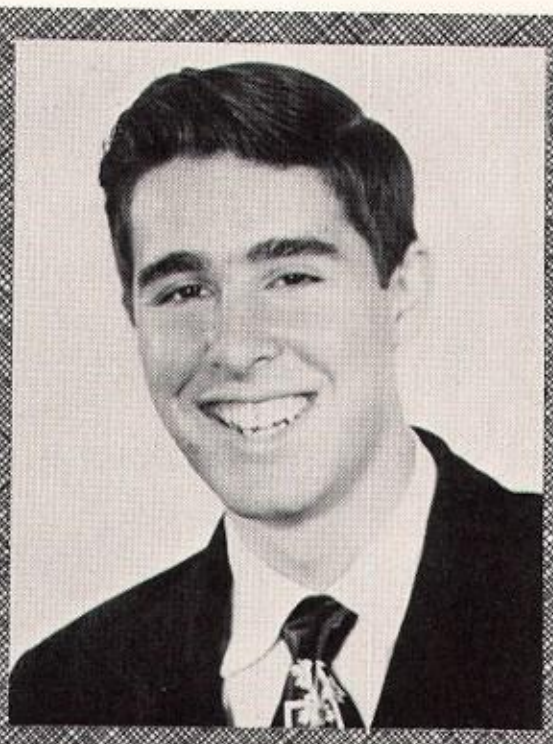
"Maggie" has proved herself a true worker for our class. Whatever it may be, on her we can depend. We all know her favorite pastime is writing "those" letters.



RICHARD A. COX
"DICK"

Sr. Play 4; Track 2, 3, 4; Jr. Prom Comm. 3.

Dick and fancy cars have a tendency to go well together. Oops---better we say just "go." We often wonder where he is when he fails to appear in school at various times. We wish you success, Dick.



JAMES DAVIS
"SLEWFOOT"

Soccer 3,4; Basketball Mgr. 4; Pres. 3; Sr. Play 4; Jr. Prom, chairman; Track 2,3,4; Loudspeaker Assistant Business Mgr. 4.

Want some quick-witted debating? Just look up "Slew-foot." He takes top honors in our class arguments.

PHYLLIS BEVERLY DORN
"DORNIE"

Band, Orch., Chor. 1,2,3,4; FHA 2,3; Sr. Play 4; Cheerleader 2,3,4; Dist. Band 1, 2,3,4; State Band 1; Latin Club 2,3; Jr. Prom Comm. 3; County Band 2.

Although Phyl claims she loves school, a few of us wonder why she skips once in a while. Her interests are varied, for there are but few things she cannot do with her vast capabilities.

SENIORS

GARY B. ENDERLE
"EARS"

Basketball 1, 2, 3, 4; Baseball 1, 2, 3, 4; Soccer 1, 4; Track 2.

Even though Gary feels his height at times, we all think it's terrific when it comes to playing sports. We also think his corny jokes aren't so bad as we pretend. Kinda enjoy them! His dreams are of a scholarship and college this fall. May your dreams come true, Gary.

JOSEPH V. ENDERLE
"JOE"

Soccer 2,3,4; Baseball Mgr. 3,4; Sr. Play 4.

Joe is what we call an expert "candy man." We think his newly acquired "terplane" deserves a good word, too. It's a good thing he has to do his business in the afternoons for getting up in the morning is definitely his weak point.

CAROLE DALE FREBERG
"SWEDE"

Band 1, 2, 3; Chor. 1, 2, 3; Orch. 3, 4; Dist. Band 3, 4; Jr. Dist. Band 1; Sr. Play 4; Loudspeaker 3, 4; Cheerleader 2, 3, 4; Latin Club 2, 3; Jr. Prom Comm. 3; County Band 2, 4; County Orch. 4.

A combination of energy, wit, and a wee bit of contrariness--that is our Carole. A good student and a peppy cheerleader, she still manages to find time to become absorbed in a good novel--especially in English class?

GERALDINE MARIE GOOSHAW
"GERRY"

Librarian 2, 3, 4; Sr. Play (usher) 4; Loudspeaker Staff 4; Jr. Prom Comm. 3.

We believe there's been a moment for everyone of us girls when we've wished we had Geraldine's beautiful long hair. With her hair and overwhelming ambition, we're sure she'll make a super "plumber."

EMMA MAY HATCHER

FHA 2, 3, 4; FHA Officer 3, 4; Librarian 4; Jr. Prom Comm. 3; Sr. Play (usher) 4.

Emma has been active in Home Economics all through high school. She is ever ready to help in any class activity.

BARBARA DAWN HENDERSHOT
"BARB"

Cheerleader 1, 2, 3, 4; Band, Chor. 1, 2, 3, 4; County Chorus 2; Pres. 1; Librarian 1, 2, 3, 4; Jr. Prom Comm. 3; Gen. Mgr. Magazine Campaign 4; FHA 2, 3; Sr. Play 4; Co-editor Loudspeaker 4.

This cute little chic is full of pep and vitality. Her impish smile and roguish eyes make her welcome among her many friends. In spite of her many activities she still rates high in school studies.

SENIORS

ALICE IRENE HEYSHAM
"AL"

Cheerleader 1, 2, 3, 4; Band, Chor. 1, 2, 3, 4; FHA 2, 3; Sr. Play 4; County Chor. 2; Jr. Prom Comm. 3; Latin Club 2, 3.

Alice is one of those dark-eyed gals who catches everyone's eye. For personality, she is hard to beat. Looking for someone who is a pleasant mixture of fun and seriousness? That's our Alice.

KATHLEEN L. JEFFERS
"KAT"

Librarian 2, 3; Jr. Prom Comm. 3; FHA 2, 3.

Our bright, happy years in school have been saddened by the death of our classmate and friend. We shall always remember Kathleen with sincere regard.

REBECCA A. KENDALL
"BECKY"

FHA 3; Chor. 4; Jr. Prom Usher 3.

Seriousness and a good sense of humor are wrapped up in this gal who is always willing to give a helping hand.

CHARLES M. LUGG
"JOHN"

Band 1, 2, 4; Chor. 1, 2, 4; Soccer 4; Dance Band 4; Loudspeaker Staff 4; County Chor. 2.

"Johnny" is our high-powered salesman may it be magazines or anything else that comes his way. His hobby is helping Mr. Barocco perform experiments. Gosh, did I say helping?

E. LORRAINE MANLEY
"LORY"

Vice-Pres. 3; Chor. 1, 2, 3, 4; County Chor. 2; Orch. 1, 2, 3, 4; Dist. Orch. 3; Jr. Prom Comm. 3; Librarian 3, 4; Business Mgr. of Sr. Play 4; Latin Club 2,3.

Always faithful, that's our Lorraine. Though it may be studies or the other big thing in her life. Whichever she chooses, we know she'll be happy.

MARY LOU MANNING

Band, Orch. 1,2,3,4; Chor. 1,2; Dist. Band 3,4; Bus. Mgr. of Sr. Play 4; Jr. Prom Comm. 3; County Band 2,4; County Chor. 2; Team Mgr. of Mag. Campaign 4; Bus. Mgr. of Loudspeaker 4; Mgr. of card sales 3; FHA 2,3.

Although Mary Lou is one of our top honor students, still the spirit of mischief gleams in her eyes. It has been a pleasure having her as one of us.

SENIORS

PHYLLIS JEAN MANNING
"PHYL"

Band 1, 2, 3, 4; Chor. 2, 3, 4; FHA Treas. 3, 4; Librarian 4.

Phyllis is a quiet serious girl especially interested in Home Economics. She certainly helped make our Loudspeaker advertising campaign a success.

JAMES MAROLD
"FAT"

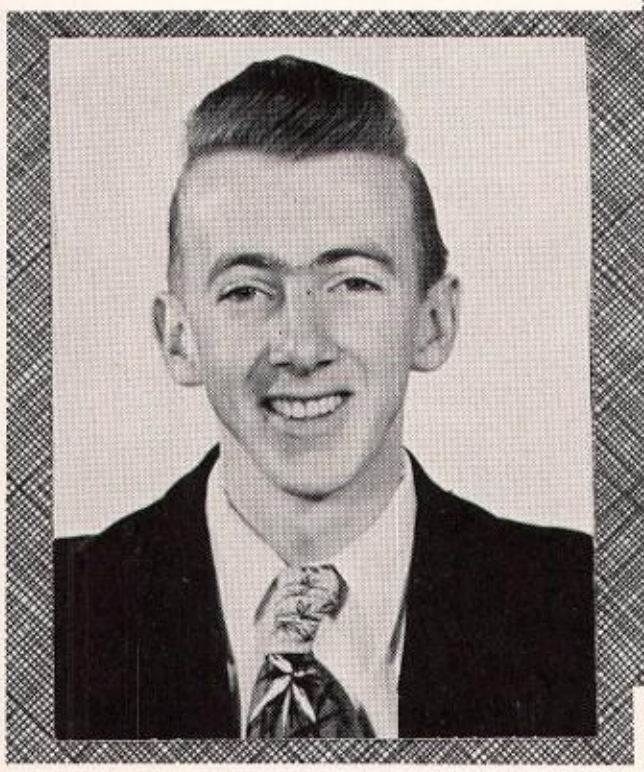
Band 1, 2, 3, 4; Orch. 1, 2; Sr. Play 4; Chor. 1, 2; Soccer 1; County Band 1; County Orch. 1.

"Jim" is another one of our "outdoor" boys. For him nothing can top hunting, and fishing. We wonder if that's why he and Mr. Barrocco are such good pals, although we have to admit he's a good student.

ANNANETTIE CATHRENE PERIGO
"TONI"

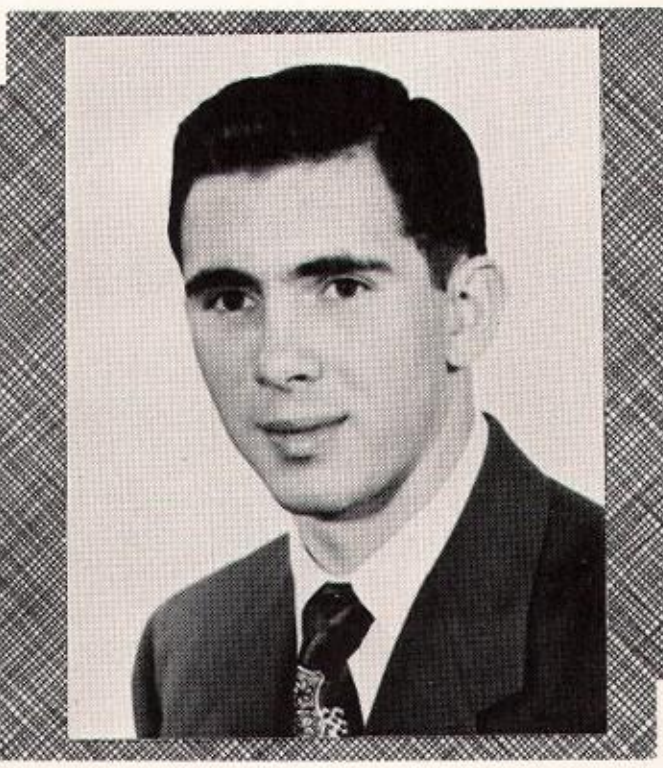
FHA 2, 3, 4; Librarian 3, 4; Jr. Prom Comm. 3.

From what we hear, Annanettie's future is all planned and not such a bad future either! Looks like those Home Ec. years are going to come in very handy. Happiness and good luck to you, Annanettie. You deserve it.



DONALD RUNYAN
"DON"

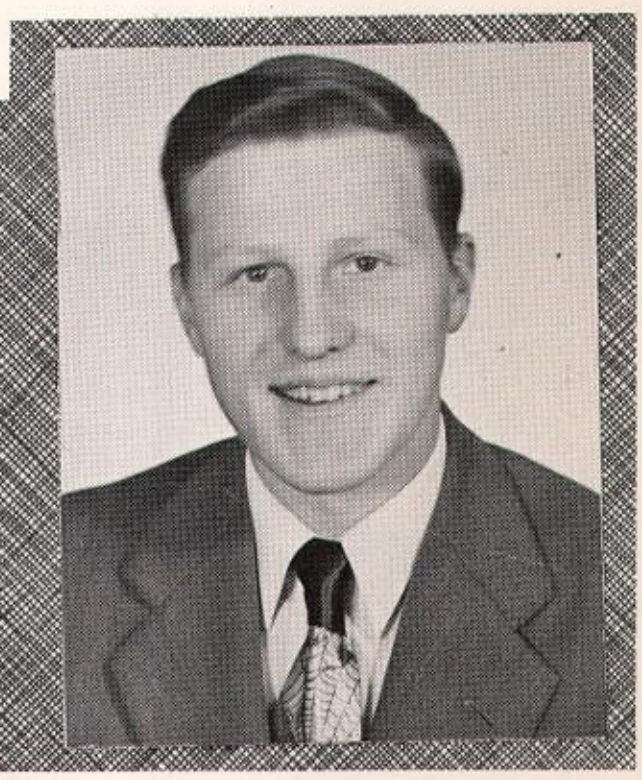
He's always there, but sometimes it's easy to forget as he's so quiet. "Don" has been a faithful helper to Joe and the Senior candy business.



ROBERT M. RUNYAN
"BOB"

Basketball 2; Track 2, 3; Baseball 2, 3, 4.

Slow but fast. Bob happens to be both. On the Track field, he's hard to beat, but otherwise, well it's a little different. Just talking Bob, it's nice to have a guy like you as one of us.



ROGER SAHRLE
"JUTE"

FFA 3, 4; Soccer 1, 2, 3, 4; FFA Basketball 3, 4; FFA Reporter 4.

Rough, tough, and ready, that's "Jute." His motto is "Let's have a good time," and usually he does. We all think he made a very capable co-captain on our champion Soccer team this year and did a very snappy job on the Ag. basketball team. Good luck, Jute.

SENIORS

DORIS ANN SHEPPA

Sec'y 3; Chor. 1, 2, 3, 4; County Chor. 2; Latin Club 2; Adv. Mgr. for Sr. Play 4.

We all have the belief that no one can laugh harder at their own jokes than Doris and her two buddies, Mary Lou and Lorraine. Of course, even though Doris' favorite pastime may be joking, she certainly finds time for many other things. She has done a wonderful job on everything that's been put her way.

LAWRENCE STEVENS
"LARRY"

FFA 1, 2, 3, 4; FFA Pres. 4.

Here is another one of the shy boys in our class. Although he is so quiet we still enjoy having him around and the girls love to look at his wavy hair. He is the President of the FFA and we believe that he has proved to be a good one.

ANN E. VAN DUSEN
"ANNIE"

Librarian 1, 2, 3, 4; FHA 2, 3; Jr. Prom Comm. 3; Sr. Play (usher) 4.

Ann is definitely a lover of shorthand and such a love! Never before has this subject received so many groans from one person. Oh, well. Just think--maybe someday it will brighten your whole life. If not, there's always basketball and the possibility of dyeing your hair red.

JOHN WALLACE VAN DUSEN
"JOHNNIE"

Sr. Play 4; FFA Basketball 1.

John, our class Romeo, certainly has a weakness for corners especially when he has one of those Freshman girls with him. Much of his time goes into those things that go around corners. Yes, you guessed it, cars. John is part-time mechanic at Schultz's and a good one, so we hear. We hope the best for you, John.

JOANNE LOUISE VAN GORDEN
"JO"

Librarian 3, 4; Jr. Prom Comm. 3.

"Gosh, but I like blonde hair," is the remark heard when Joanne passes. "Tell me your secret," is the next; so a huddle is formed and the following day E.H.S. sprouts another blonde. Just kidding Joanne, we all think it's nice and hope you can keep it that way forever.

CATHERINE ANN VALENTI
"KAY"

Chor. 1, 2; County Chor. 2; Jr. Prom Comm. 3.

Catherine is just about the neatest thing you can find around our senior room. She finds working afternoons in the Business Bureau lots of fun. Wonder if its the fun of working or the fun of missing school? How about that, Catherine?

DRIVER TRAINING

THE Driving Training dual control car is a Chevrolet this year from the Frank's Chevrolet garage, local dealer of General Motors cars. The "Chevy" is the second given by Mr. Frank during the four year period that W. W. Whalen has taught the driver training course locally. Last year a Ford was presented to our school by the Schultz Motor Company. During the first few weeks of the course, all students are given eye tests and are shown the parts of the car under the hood and inside the car. Later in the course they learn to turn the car around in the width of the road, start on a hill, parallel park and many other necessary things. With the use of movies, Mr. Whalen makes the course interesting as well as profitable to the students.

MINIATURE MODELS

WITH the aid of small mechanical models, Mr. Whalen demonstrates many situations that may take place on the highway. The racing model seems to intrigue Mary Lou.

CAR CHART

WITH the use of a chart, Mr. Whalen is showing Mary and Emma the function of the engine. It looks complicated but the girls seem confident.

COMMERCIAL

MANY of the students taking typing intend to take shorthand and bookkeeping and then, after graduation, to become employed as stenographers in offices, stores or banks.

Others taking the course have chosen it as an elective to aid them in their business or personal needs for typing after graduation.

This year, as for the last two years, typing is the most popular subject of the Commerical Course.

Learning to use the adding machine.

THE ditto, mimeograph and adding machines are used in the Typing II Classes to help instruct the students in the operation of the machines which they might use in their secretarial positions.

The student prepares a ditto carbon and stencil and then runs it off on the machine.

SHORTHAND I and II is offered to students in the Senior High School.

Students are given reading and writing practice in shorthand and dictation at various speeds. The notes are transcribed at the typewriter.

Taking practice dictation.

Class in Foods

MANY of our girls are taking advantage of the very useful and interesting course in Home Economics under the direction of Mrs. Martha Barocco. They realize that homemaking is not only interesting in school but also very useful in later life. The course is varied and offers training in many phases of home life.

This year twenty members of Mrs. Barocco's classes had a very interesting and instructive three-day trip to the Farm Show in Harrisburg, Pennsylvania. Prizes in several types of work were awarded to Judy Marshall, Betty Manning, Nettie Moon, Ruth Kendall, Muriel Enderle, Donna Cook and Sally Hall.

FRENCH CLASS

FOR the first time in several years French is again being offered in Elkland Joint High School. Twenty students are enrolled in the course taught by Mrs. Lugg.

At mid-semester a French club, Le Cercle Français, was formed. Sterling silver pins are the badges of membership, and the group learn French songs, play French games, prepare French food, and learn French customs and history.

INDUSTRIAL ARTS

UNDER the direction of Mr. William Whalen, the boys of the seventh, eighth and ninth grades are acquiring many useful and interesting skills. The boys find it a combination of work and fun in the pleasant surroundings of the new wing of our building.

THE 75 piece Senior Band under the direction of Mr. Waldo Seamans took part in the Halloween party and in school assemblies. In their blue and red uniforms, the band presented their annual spring concert. Every year a number of the students represent the band in the district festivals. This year representing our band in the district meet were Carole Freburg, Phyllis Dorn, Mary Lou Manning, Manzo Hill, and Bill Van Schaick. Last year Manzo was chosen for State Band. A Junior District Festival is held for the members from the Junior High classes. We are represented in this every year by several students. Every spring the band plays for Memorial Day at Osceola, Nelson, Keeneyville and Elkland.

State Laurel Queen

For the first time in the twelve year history of Wellsboro's State Laurel Festival, the Laurel Queen is an Elkland entry. Blond Joann Flynn of Osceola, who was chosen as Miss Elkland by her classmates of the Elkland Joint High School, was crowned State Laurel Queen, last Saturday evening by Governor John S. Fine during the coronation ceremony.

Miss Flynn, the daughter of Mr. and Mrs. Leon Flynn, and a 1953 graduate of Elkland schools, was chosen from a field of 64 contestants for the coveted title. The girls were judged on a basis of beauty, poise, personality, charm, general appearance and behavior.

Besides the 1953 Laurel Queen crown, Miss Flynn received a gold cup and a scholarship made available through State Senator James S. Berger of Coudersport. This entitles her to four years education at either the University of Pennsylvania, University of Pittsburgh, Temple University or the Pennsylvania State College.

GOVERNOR John S. Fine of Pennsylvania crowns Miss Flynn at the climax of the two day festival. She also was awarded a gold cup and a four year scholarship to a state college of her choice. Sixty-four girls, all seniors from high schools throughout the state, competed for the title.

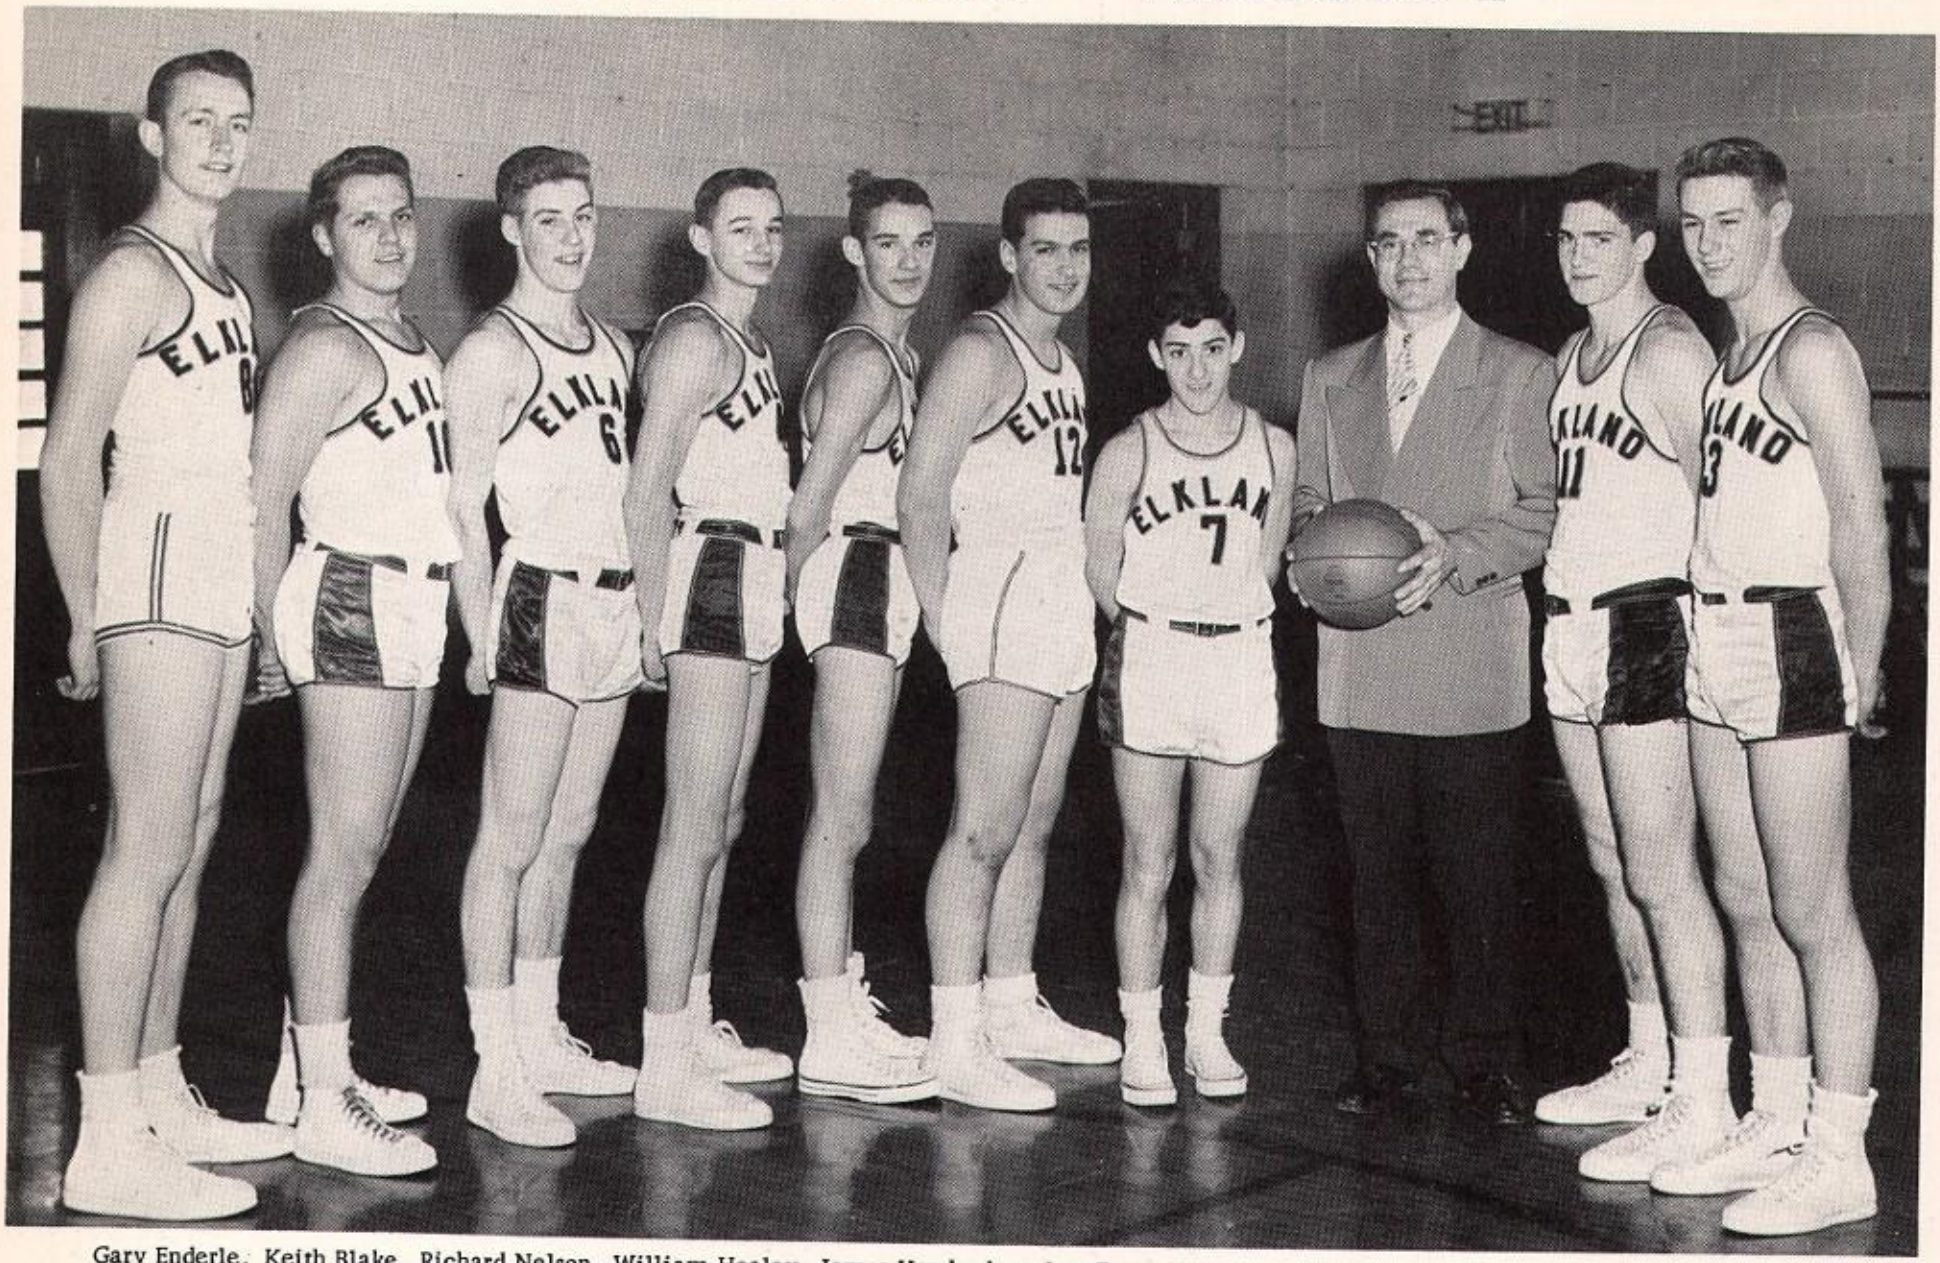
BASKETBALL - VARSITY



Gary Enderle, Keith Blake, Richard Nelson, William Healey, James Hendershot, Lee Farmelo, Jack Tallarida, Coach Andrews, Durwood Sherman, Lee Button.

ONCE again the Elkland squad completed a very successful cage season with a seasonal record of 17 wins and two losses. No team has defeated them more than once, and only one loss was suffered on the home court. That loss was later avenged with a victory on the opponent's, CFA, own stamping grounds. The Elkland team, by virtue of its undefeated season in Tioga County competition, automatically vies as the county champion. With a record of ten straight victories in county competition, the squad moved into the northern tier, District 4, Class B playoff against Athens, the R.T.L. champion.

The Elkland squad fielded one of the finest squads in Elkland history. The team, captained by Durk Sherman, will long be remembered in cage annals for brilliant performances and performers.

Gary Enderle, who finished first in scoring with 287 points, was the stalwart, both offensively and defensively. Jocko Nelson, in his last year of cage competition, finished second with 267 points. Jocko earned a place in Elkland basketball history by virtue of his 41 points scored against an Addison team that previously had extended a favorite Elkland team through four quarters before going down to defeat. Sherman finished third in scoring with 216 points. Durk directed the Elkland offense and defense and was greatly responsible for their success. Farmelo, Blake, and Healey were defensive stalwarts and contributed to the remarkable defensive average of 46 points per game as against 56 on offense. Hendershot and Lee Button made up the reserves and aided tremendously in the later successes of the team. Good luck to a fine squad.

THE Elkland Junior's completed their season with a modest 12-7 record. In 19 games the Juniors scored 883 points for an average of 46 as against 728 for the opponents and an average of 38. The squad suffered only one loss on their home court-against CFA, the only team to inflict a double loss on them. All the other losses were against teams that were beaten decisively on the home court.

Laverne Casbeer finished first in scoring with 235 points and was first in rebounding. Dale Kilburne edged Tallarida for second honors with 163 points as against Jack's 157. Jim Hendershot who alternated between Varsity and Junior Varsity competition playing only a small part of the time hit 118 points. This combined with his Varsity total of 37 gives him 155 for the season. Manzo Hill and George Davenport, in their first year of cage competition were outstanding on defense. Capable reserves included Lee Button, who alternated with Varsity and J. V. subbing, Jim Button, James Ahearn, Hugh Flynn, Tom Enderle, and Theodore Colegrove.

Good luck to you in future years in the cage games.

ECLIPSING all former seasonal records, the Elkland team, under the direction of their new coach, Mr. Andrews, compiled the best seasonal record of any Tioga county school in soccer. In the increasingly-popular fall sport the team finished the season with an enviable record of thirteen straight wins without a loss or tie to mar its record. Besides its lost and won column record, the squad came through with one of the best records in both offense and defense. Final statistics showed Elkland garnering 49 points to the opposition's 6. The squad was most impressive in defense against two traditional rivals, Padua and Covington, both ever-dangerous. In four games with the two rivals, Elkland scored ten points while limiting their opponents to one. The best offensive records were compiled against Addison, in a practice game, 14 to 0, and against Mansfield, 8 to 1.

Leading the team in scoring was Durwood Sherman, with ten points, and Co-Captain Roger Sahrle with nine.

Defensive stalwarts were Jocko Nelson, whose fine saves at the goalie position saved many of the close ones; and Co-Captain Keith Blake who directed the squad's secondary.

The past season marks the third straight year that Elkland has coveted top honors in the Tioga County Soccer League.

Congratulations boys!
